C. BACKGROUND AND EXPERIENCE	
Please briefly present the organisation	Euro mirada is a non-profit organisation dedicated to promoting human rights, social inclusion, active youth participation, and fostering youth involvement in society through our work in the Erasmus+ field. We believe that empowering young people and providing them with opportunities to engage in international exchange programs can shape a better future for all.
What are the activities and experience of the organisation in the areas relevant for this application?	Euro mirada carries out activities to promote intellectual, moral and emotional formation so that people undertake a personal reflection on the great challenges and problems that constitute our present in society. To this end, it works on the set of knowledge, skills, aptitudes and values that enable society to become aware of its personal and cultural identity and to reflect on ethical issues that are fundamental for coexistence. In addition, Euro Mirada promotes sport and leisure and free time activities among different groups in society, school children, young people, adults, people with disabilities and other groups. Not only that. With its activity Euro Mirada spreads and encourages the practice of solidarity, promoting solidarity and social utility, participation, inclusion, human rights, youth policies, physical activity and sports, without restriction of age, ethnicity or social status.
